It's a time for new resolutions, new outlooks, new adventures, new locales. Keeping this in mind *Emirates Woman* has teamed up with Antara Palace – Wellness & Destination Spa, in Cyprus, to offer one lucky reader and guest a chance to revive their body, spirit and soul.

**WIN: A two-night stay for two in either the Pearl or Buddha Suite. Inclusive of breakfast, a choice of either a 60-Minute Aroma Oil Massage or Thai Massage for two, Dinner for two on one evening and One session of Yoga or Meditation.**

Offering pampering indulgence and utter relaxation, Antara Palace – Wellness & Destination Spa could be your perfect getaway for 2014. With charming cobblestone trails, babbling fountains, vibrant flowerbeds and a postcard-worthy setting, it's everything you want it to be and more.

From the Asian-inspired Buddha suites to the opulent Pearl suites, each boasting floor-to-ceiling windows and private terraces that overlook the blue azure waters of the Mediterranean, you'll be staying in a serene paradise.

The spa is a relaxation haven and as you surrender into the hands of experienced therapists you will feel all the weariness seep away leaving you refreshed and renewed. As part of your prize you have unlimited use of fitness facilities, so make the most of it.

Given the location of the resort, it would be a shame not to spend an afternoon indulging in some outdoor activity like hiking or snorkelling in the clear blue sea before feasting on fresh seafood and other culinary delights. You could also head to the private 3D cinema to catch the latest blockbuster. Laze around the pools, walk on the beach, catch a sunrise... and start the New Year refreshed, relaxed and renewed.
