

### **Antara Palace is crowned as ‘Most Prestigious Engagement Party Venue’**

Polis Chrysochous, Cyprus, 18 September 2014 – Antara Palace is celebrating after scooping the award for “Most Prestigious Engagement Party Venue” at the Prestigious Star Awards held on 12<sup>th</sup> September 2014 at the Oriental Club in London.

To win this award in only less than 12 months since opening amongst the other tough competitors is really an achievement for Antara Palace. In its category, Antara Palace beat international venues such as The Waldorf Astoria in New York, 170 Queens Gate in London and The Westin Sydney in Sydney, Australia.

The event was fabulous and had a mix of three elements; thought leadership, celebration and networking. Now in their fifth year, the Prestigious Star Awards remains the only global luxury venue industry award and they are renowned for distinguishing the top venues from across the globe.

“It is a great honour for us that Antara Palace has received the Most Prestigious Engagement Party Venue award. In the first round, the 3 finalists in each category were selected through public voting and then an expert panel decided on the winner. We are proud that both the public and the experts chose Antara Palace as the Most Prestigious Engagement Party Venue. We would like to thank all of you who supported us and congratulate the winners in the other categories as well!” says Ms Nora Csige, Co-Founder of Antara Palace.
